

## ■ DECLARATION OF CONFORMITY

in terms of the EU Directive 2014/34/EU, “Equipment and protective systems intended for use in potentially explosive atmospheres”.

■ We, the **FireDos® GmbH**  
Auf der Kaulbahn 6  
61200 Wölfersheim  
Germany,

hereby declare at our own sole responsibility that the following mechanical machines:

### ■ **FireDos® MONITORS**

are produced in accordance with the relevant basic health and safety requirements stated in the EU Directive 2014/34/EU on the basis of their conceptual design and construction as well as of the version put into circulation by us. Any modification or non-designated use of the machine will render this declaration invalid. The **FireDos®** monitors have been subjected to ignition hazard assessment which has been documented and filed in a designated place.

The safety and maintenance notes set out in the instruction manuals must be observed.
